In Memoriam

Wanda Coykendall

Leland "Tony" Krehbiel and Wanda Coykendall, both members of last years freshman class, were taken from us during the past year. The shock of their sudden death causes us to ponder the age-old question: What was God's purpose in taking the lives of such quiet, clean-living, unassuming young people?

Through the living testimonies of these two schoolmates, may we pause to ask ourselves why and for whom are we living.
